Dear colleagues!

On **October 27, 2017** Banking University invites you to participate in the XI International scientific and practical conference "**Development of the banking systems of the world in conditions of globalization of financial markets**", dedicated to the 50th anniversary of the founding of Cherkassy educational-scientific institute of the Banking University.

Thematic directions of the conference:

- Institutional factors of the global economy development.
- Relevant issues of functioning and development of banking systems in the world.
- Accounting and analytical support of business entities.
- Information systems and technologies, modeling in the economy.
- Legal and socio-philosophical problems in economics and education.

Within a framework of the scientific and practical conference, a panel discussion will be held as an open discussion and exchange of views between the conference participants and invited experts and representatives of banking institutions. The topic of the discussion "**Digital economy: opportunities and threats for banking systems**" to review the following questions: 1. Electronic money - a challenge to monetary policy; 2. Transformation of banking activities in the conditions of digitalization of the economy.

Scientists, representatives of financial and credit institutions, enterprises, educational establishments, post-graduate students, masters degree students, and all interested persons are invited to participate.

Language of the conference: ukrainian, russian, english, polish.

REQUIREMENTS FOR PARTICIPATION

To participate in the conference you should pass the online registration to October 20, 2017 on the website of Cherkassy Institute of BU (<http://cibs.ubs.edu.ua/reiestratsiia-dlia-uchasti-v-konferentsii/>) with the obligatory filling of all fields of registration form and submission of materials.

According to the results of the conference, it is planned to prepare a collection of reports of abstracts, a collective monograph and publication of articles in the international scientific and practical journal "Financial space" (professional edition).

Requirements for abstracts

Abstracts are 3 pages of A4 format. All fields are 20 mm. Font Times New Roman, 14, line spacing - 1. In the upper left corner is UDC. The title of the report should be printed in bold characters symmetrically to the text. To the right, one interval after the title of the report is the author's surname and initials. Position, organization name, e-mail. Abstracts should include a minimum number of formulas and charts that are executed using special editors of MS Office. Formula placed in the center, numbering exercise at the right side. The drawings must be grouped together as a single object. Links and a list of literature (no more than 5 sources) must be made in accordance with the requirements for the registration of articles in professional journals.
